

## ⌚ NOTICE TO AUTHORS OF ACCEPTED MANUSCRIPTS ⌚

### **Submit Text & Illustrations Electronically to AIP for *Rev. Sci. Instrum.***

Upon acceptance of your manuscript for publication in RSI, the RSI Office will send you an AIP identification code (**AIP ID**); your **AIP ID** is a nine-character alphanumeric code in the form, 000000CON. Submit electronic files of the **accepted version** of your text and graphics to AIP **immediately** upon receipt of your **AIP ID**. If received in time, your files may be used in the production of your paper.

### **Instructions for Submitting Graphics Files to AIP** (see additional info at <http://www.aip.org/epub/submitgraph.html>):

- (1) **File Naming Convention:** Because your submitted graphics files will be autoprocessed, the file names must match a precise convention. Include only one figure per file, and name your files as follows:  
  
[AIP ID][figure number].[file format]      An example is 012001con1.ps
- (2) **File Formats:** The only file formats accepted by AIP for graphics files are PostScript, Encapsulated PostScript, and TIFF (i.e., .ps, .eps, .tif).
- (3) **Use FTP** to transfer your graphics files (not text files) to AIP.
  - (a) **Do not compress** your files. Do not use uuencode, BINHEX, Stuffit Archive, zip, or any other compression applications.
  - (b) **FTP to ftp.aip.org**
  - (c) **Login:** anonymous
  - (d) **Password:** your full email address
  - (e) **Change directory to /elecsubs**
  - (f) **Transfer files:** as ASCII for PostScript and Encapsulated PostScript files  
as BINARY for TIFF files

### **Instructions for Submitting Text Files to AIP** (see additional info at <http://www.aip.org/pubservs/compuscript.html>):

- (1) Only the following text **formats** are accepted: Word, WordPerfect, REVTeX or LaTeX.
- (2) Send a copy of your text file (not graphics file) **by e-mail** to "rsifiles@aip.org." The subject line of your e-mail must identify your manuscript according to your **AIP ID**.

For example,      **TO:** rsifiles@aip.org      **SUBJECT:** 012001con.doc

[Word users: use the extension ".doc". TeX users: use ".tex". WordPerfect users: use ".wpd".]

- (3) In the message, indicate the **application and version number**, e.g., "This is a Word 6.0 file."
- (4) Your text file should be an **attachment** to the message, not part of the message itself.
